

Maledetti

Rider Tecnico

Enrico Merlin (guitar, on the left of the stage)

Valerio Scignoli (guitar, on the right of the stage)

- Two guitar tube amplifiers (Fender, Mesa Boogie, or similar), one for each guitar player, possibly on stand or cases. The amplifiers should be miked in proper way to the PA system.
- Two electric guitar stands, one acoustic guitar stand
- One music stand
- Two seats
- One microphone, center or left side, for speech introduction and occasional singing (Shure SM58 or similar)
- Two or three schuko power strips (Enrico needs at least 5 power connections for stompboxes power supplies) in front of the musicians's positions
- Two monitors in front of the musicians
